Algemene verkoop-, leverings- en betalingsvoorwaarden van Bart Brugman B.V. zoals gedeponeerd bij de Kamer van Koophandel Amsterdam onder nummer 33254204.

1. ALGEMEEN

Deze algemene voorwaarden zijn van toepassing op alle offertes, aanbiedingen, orderbevestigingen, verkopen, leveringen van goederen, verrichtingen van diensten en andere overeenkomsten door, van en met Bart Brugman B.V., hierna aangeduid als verkoper. Afwijkingen van deze voorwaarden gelden alleen indien en voor zover die schriftelijk door verkoper zijn bevestigd. Door het doen van een bestelling, de aanvraag van een offerte, het geven van een opdracht, het sluiten van een koopovereenkomst of andere overeenkomst, aanvaardt de andere partij, hierna aangeduid als koper, deze voorwaarden. Aanvullende en/of afwijkende voorwaarden van koper, waaronder mede de inkoopvoorwaarden van koper worden verstaan, maken geen deel uit van de overeenkomst en binden derhalve verkoper niet, tenzij verkoper deze voorwaarden schriftelijk heeft aanvaard.

2. AANBIEDINGEN

De koopovereenkomst tussen verkoper en koper komt tot stand door de schriftelijke of mondelinge bestelling van de goederen door koper bij verkoper en de aanvaarding van deze bestelling door verkoper. Telefonische of mondelinge opdrachten worden voor risico van koper uitgevoerd. Stalen, afbeeldingen, tekeningen, opgaven van kleuren, dessins, maten en dergelijke, die door verkoper voor of bij het sluiten van de overeenkomst zijn verstrekt, zijn zo nauwkeurig mogelijk, maar worden slechts als monster verstrekt of getoond en zijn niet strikt bindend voor de nakoming door verkoper. Afwijkingen zijn toelaatbaar en verkoper mag goederen met afwijkingen -mits in algemene zin, kwalitatief en in prijs vergelijkbaar- aan koper leveren om zo de overeenkomst na te komen. Verstrekte stalen en presentatiematerialen die niet in rekening zijn gebracht door verkoper blijven haar eigendom en kunnen op elk moment worden teruggenomen. Beschadigde stalen en presentatiematerialen kunnen in rekening worden gebracht voor de alsdan hiervoor geldende prijzen. Stalen mogen niet aan derden worden overgedragen of afgegeven zonder toestemming van verkoper, althans daar kan geen recht op levering door verkoper uit worden afgeleid.

3. PRIJZEN, LEVERING EN RISICO

Indien een koopprijs is overeengekomen, is verkoper bevoegd om kostprijsverhogende factoren, welke optreden na het sluiten van de overeenkomst, door te berekenen aan koper. Alle prijzen zijn exclusief BTW of andere belastingen en heffingen.

Verkoper wordt geacht aan zijn leveringsverplichtingen te hebben voldaan:

- indien de goederen door of namens koper worden afgehaald of door verkoper worden gebracht of verzonden;
- bij de verzending door een door verkoper ingeschakelde vervoerder;
- door de in ontvangst name van de goederen door koper of een door koper aangewezen derde.

In het geval dat de goederen op verzoek van koper bij een derde worden afgeleverd ter verwerking door de derde blijft de plicht om de koopprijs betalen op koper rusten. Indien verkoper voor koper optreedt bij de verwerking van de goederen door een derde blijven de risico's en de kosten voor rekening van koper, tenzij uitdrukkelijk schriftelijk anders is overeengekomen. Verkoper behoudt zich het recht voor gekochte goederen afzonderlijk te leveren en te factureren.

Leveringen met een netto factuurwaarde vanaf € 450 worden binnen Nederland franco geleverd. Bij bijzondere verzending of verzending naar het buitenland worden de vrachtkosten en eventuele bijkomende (verzekerings)kosten in rekening gebracht aan koper. De kosten van remboursverzekeringen zijn voor rekening van koper. Het vervoer van de goederen gebeurt voor risico van koper voor zover de verzending ervan niet op verzoek van koper werd verzekerd. Koper is aansprakelijk voor het accepteren en aftekenen van leveringen, ook door derden, en dient eventuele transport- of andere schades binnen 24 uur na ontvangst rechtstreeks schriftelijk te melden aan de betreffende expediteur.

4. LEVERTIJDEN

Verkoper is niet aansprakelijk voor schade die een gevolg is van overschrijding, door welke oorzaak dan ook, van de door haar bij benadering opgegeven leveringstermijn. De leveringstermijn is uitsluitend indicatief van aard en is niet bedoeld om rechten aan te ontnemen door koper, tenzij uitdrukkelijk schriftelijk anders is overeengekomen. Overschrijding van de leveringstermijn geeft geen recht op annulering.

5. BETALINGEN

Bij gebreke van een schriftelijke klacht over de inhoud van de factuur binnen 5 werkdagen na factuurdatum, wordt de factuur geacht foutloos te zijn en een juiste omschrijving te bevatten van het geleverde en de voorwaarden waarop een en ander werd overeengekomen. Voor speciale producties wordt een aanbetaling gevraagd van 50% of 100% van de totale factuurprijs.

Betaling dient te geschieden binnen 14 dagen na factuurdatum, tenzij schriftelijk anders is overeengekomen. Ontvangen betalingen of deelbetalingen worden aangemerkt als betaling op de openstaande facturen in rangorde van oud naar nieuw.

Als koper in gebreke blijft wordt 10% rente op jaarbasis berekend. Buiten het verschuldigde bedrag worden de buitengerechtigde kosten in rekening gebracht die de incasso van een vordering met zich brengt. Verkoper is gerechtigd de levering op te schorten zolang koper niet aan al zijn betalingsverplichtingen, uit welken hoofde dan ook, ten opzichte van verkoper heeft voldaan.

6. EIGENDOMSVOORBEHOUD

Verkoper behoudt zich het eigendom van de geleverde goederen voor tot aan het moment dat alle vorderingen van verkoper op koper, hoe ook genaamd en uit welken hoofde ook, volledig zijn voldaan. De goederen kunnen direct door verkoper worden teruggevorderd indien koper niet aan zijn verplichtingen heeft voldaan, of indien verkoper aanleiding heeft aan te nemen dat koper niet aan zijn verplichtingen zal kunnen voldoen. Door verkoper geleverde goederen mogen niet verpand worden en evenmin strekken tot enige zekerheid voor een vordering van een derde.

7. RECLAMES EN RETOUREN

Reclames bij onjuiste levering kunnen uitsluitend geldend worden gemaakt ten aanzien van goederen, welke zich nog bevinden in de staat waarin ze zijn geleverd. Op aangesneden, ver- of bewerkte goederen kunnen geen reclames worden aanvaard. Beperkte, of om redenen van technische aard redelijkerwijs niet te vermijden afwijkingen in kwaliteit, kwantiteit, breedte, kleuren, finish, maat, dessin, afwerking en dergelijke, zijn geen grond voor reclames. Reclames dienen binnen 5 werkdagen schriftelijk en deugdelijk gemotiveerd bij verkoper te worden ingediend, bij gebreke waarvan koper wordt geacht de geleverde goederen onvoorwaardelijk te hebben geaccepteerd en reclames dienaangaande niet meer in behandeling worden genomen. Reclames welke een verborgen gebrek betreffen, moeten, eveneens schriftelijk en deugdelijk gemotiveerd, worden ingediend binnen 5 werkdagen, nadat een zorgvuldige koper het betreffende gebrek had kunnen ontdekken. Reclames op goederen die op een andere wijze werden gebruikt of verwerkt dan waarvoor zij zijn bestemd of op een verkeerde of ondeskundige wijze werden gebruikt of verwerkt zijn uitgesloten.

Wanneer een reclame gegrond wordt bevonden, kunnen ter keuze van verkoper de goederen worden vervangen, dan wel kan koper voor deze goederen (deels) worden gecrediteerd, na ontvangst en na akkoordbevinding van de retourzending van de goederen door verkoper. Voor gebreken aan verwerkte stoffen of materialen anderszins, die na verwerking daarvan worden bemerkt of zich openbaren, geldt dat geen (her)stofferingskosten of andere verwerkingskosten worden vergoed.

Reclames van goederen die door verkoper van buiten de Europese Unie worden betrokken worden alleen in behandeling genomen indien koper de transportkosten en de herinvoerrechten vooraf voor zijn/haar rekening neemt. Retourzendingen worden door verkoper alleen geaccepteerd indien de goederen deugdelijk zijn verpakt voor verzending. Op koper rust de plicht, ook indien in opdracht van koper aan een derde wordt geleverd, het geleverde direct bij, of uiterlijk binnen 24 uur na aflevering, op eventuele tekorten en gebreken te controleren. Reclames van welke aard dan ook schorten de betalingsverplichtingen van koper niet op.

8. BEPERKING AANSPRAKELIJKHEID

Indien verkoper aansprakelijk is voor (gevolg)schade, uit welken hoofde dan ook, is deze beperkt tot de tot de factuurwaarde van goederen of tot de verzekerde som van de door verkoper gesloten (aansprakelijkheids)verzekering, indien deze aansprakelijkheid op aanvaardbare voorwaarden te verzekeren valt of op verzoek van koper werd verzekerd. Er worden door verkoper geen (her)stofferingskosten of andere verwerkingskosten of daarmee samenhangende kosten vergoed.

9. TOEPASSELIJK RECHT EN BEVOEGDE RECHTER

Op alle verbintenissen tussen verkoper en koper is uitsluitend Nederlands recht van toepassing. Alle geschillen tussen verkoper en koper zullen worden berecht door de bevoegde Nederlandse rechter in het arrondissement waarin de vestigingsplaats van verkoper gelegen is.
